The Honorable,

The Attorney General.

My dear Mr. Attorney General:

By my letter of April 3, 1931, you were requested to instruct the United States Attorney at El Paso. Texas, to institute suit in condemnation with a view to acquisition by the United States of title to certain land described in that letter for use in connection with the Rio Grande reclamation project. New Mexico-Texas.

that the landowners, upon being advised that condemnation suit was in preparation, decided to execute the contract originally tendered them for the amicable conveyance of the land to the United States. This action renders further proceedings by way of condemnation unnecessary, as the contract above mentioned requires the execution of a conveyance by the landowners to the United States.

Very truly yours,
