Dear Mr. Gonzales:

The Bureau of Reclamation (Reclamation) has investigated your request to excess a portion of the Franklin Spur Drain of approximately 4.18 acres of Block 26, Tracts 11A1 and 11A, San Elizario Grant, El Paso County, Texas.

All courthouse records, tax statements, and the documentation maintained in Reclamation's office, indicate a 100-foot right-of-way was acquired by Petition Document. The right-of-way indicated above and shown in red on the enclosed plat has not been used and is not needed for Reclamation purposes.

Reclamation has no further interest in the 4.18 acres of Block 26, Tracts 11A1 and 11A, San Elizario Grant, El Paso County, Texas, as shown on the enclosed plat.

If there are any questions, please advise.

Sincerely,

David P. Overvold
Acting Project Superintendent

Mr. Edd Fifer
General Manager
El Paso Water Improvement
District No. 1
294 Candelaria
El Paso, Texas 79907

Dear Mr. Fifer:

The Bureau of Reclamation has received a request on behalf of Mr. Alfredo Arigucci to excess a portion of the Franklin Spur Drain that appears to have been abandoned. The parcel Mr. Arigucci would like to acquire is adjacent to Tracts 6 and 7, Block 26 of the San Elizario Grant. Please see enclosed map for location.

Mr. Dick Gonzalez had made a similar request in September 1983 for the portion south of Mr. Arigucci's parcel. Enclosed is correspondence relating to that request.

Please advise if the district has any use for the parcel adjacent to Mr. Arigucci's land.

Your prompt attention to this matter will be appreciated.

Sincerely,

David P. Overvold
Acting Project Superintendent
