Project Manager, U. S. R. S.

El Paso, Toxas, May 17th 1916

El Paso, Texas, May 16, 1916.

Mr. W. B. U. Krause. 906 N. Stanton St., City.

Dear Sir:

Please have the enclosed correction sheet containing land description of right of way for the Mesa Drain signed and return with as little delay as possible. Signatures should be as follows: "W. E. U. Krause"; "Flora Krause". It will not be necessary to change the main part of the contract which you have already signed and on which the notarial acknowledgment appears.

It has become necessary to make this change in the description, as you perhaps already know, for the reason that land which it was thought was owned by you is owned by Mr. I. G. Gaal. It will be noted that the acreage over which the Drain will extend on your land now amounts to but thirty-two hundredths of an acre instead of three and three-hundredths agree. I presume that for this reason especially you will have no objection to resigning the description sheet. The old sheet showing the three and three-hundredths agree is herewith returned and may be destroyed.

Your early attention to this will be appreciated.

Very truly yours.

P.W. Dent.
