3. The Vendor, on behalf of himself, his heirs and assigns, release, acquit, and discharge the United States and its assigns from any and all liability for damages or compensation arising from the entry upon said parcel of land and from the construction, operation, and maintenance thereon of works pertaining to the United States Reclamation Service.

4. In consideration whereof, the United States agrees to pay to the Vendor the sum of ninety-four (\$94.00) dollars upon Government voucher, by Treasury warrant, or disbursing officer's check, as full purchase price of said improvements and as full payment for all damages by reason of the matters and things stated herein.

5. The Vendor hereby ratifies and confirms the grant to the United States of the right of way across lands herein referred to in stock-subscription contract with the El Paso Valley Water Users' Association.

7. The Vendor, upon request by the proper officials of the Reclamation Service, will procure and have recorded, where proper for record, all deeds or other assurances of title, and affidavits and other evidences of title which in the opinion of Counsel for the Reclamation Service are necessary to show good title, unincumbered, in the Vendor to the property purchased.

8. Liens or incumbrances against the property purchased may, at the option of the United States, be discharged at the time of payment, or a sufficient amount for this purpose be retained from the purchase price and the same discharged with the money so retained; but this provision shall not be construed to give precedence of any lien or incumbrance over this agreement, nor as an assumption of the same by the United States.

9. The United States agrees to permit the Vendor to retain possession of the strip or parcel of land upon which said improvements are located and to use and enjoy the same, and remove crops therefrom that may mature thereon, until ten days after the date hereof, unless prior thereto it becomes necessary to occupy said strip of land for ditch or canal purposes, in which event the Vendor will be duly notified by the proper Reclamation officials; and the Vendor agrees that whenever so notified he will immediately yield and deliver up the possession of said strip of land, together with the improvements thereon, without any claim for damage or compensation other than as herein provided.

10. The ~~contractor~~ expressly warrants that he has employed no third person to solicit or obtain this contract in his behalf, or to cause or procure the same to be obtained upon compensation in any way contingent, in whole or in part, upon such procurement; and that he has not paid, or promised or agreed to pay, to any third person, in consideration of such procurement, or in compensation for services in connection therewith, any brokerage, commission, or percentage upon the amount receivable by him hereunder; and that he has not, in estimating the contract price demanded by him, included any sum by reason of any such brokerage, commission, or percentage; and that all moneys payable to him hereunder are free from obligation to any other person for services rendered, or supposed to have been rendered, in the procurement of this contract. He further agrees that any breach of this warranty shall constitute adequate cause for the annulment of this contract by the United States, and that the United States may retain to its own use from any sums due or to become due thereunder an amount equal to any brokerage, commission, or percentage so paid or agreed to be paid: *Provided, however,* It is understood that this covenant does not apply to the selling of goods through a bona fide commercial representative employed by the ~~contractor~~ in the regular course of his business in dealing with customers other than the Government and whose compensation is paid, in whole or in part, by commissions on sales made, nor to the selling of goods through established commercial or selling agents or agencies regularly engaged in selling such goods.

the contract is made contingent upon Congress making the necessary appropriation for expenditures thereunder after such current year has expired. In case such appropriation as may be necessary to carry out this contract is not made, the contractor hereby releases the United States from all liability due to the failure of Congress to make such appropriation.

..... For and in consideration of the faithful performance of this contract, the Contractor shall be paid

..... No interest in this agreement shall be transferred by the contractor to any other party, and any such transfer shall cause annulment of the contract so far as the United States is concerned; all rights of action, however, for breach of this contract are reserved to the United States, as provided by section 3787, Revised Statutes of the United States.

..... It is further stipulated and agreed that in the performance of this contract no persons shall be employed who are undergoing sentences of imprisonment at hard labor which have been imposed by courts of the several State or Territories or municipalities having criminal jurisdiction.
