Mr. F. G. Alderete,  
Isleta, Texas.

My dear Mr. Alderete:

Your attention is respectfully invited to the several letters we have already written you with reference to perfecting title to your property in Survey 48 in the Isleta grant out of which tracts we have contracted with you for purchase.

As we advised you in our letter of March 17th, the judgment lien should be cleared up and taxes paid so that the following three things may be procured after which payment can be made promptly:

1. Certificate of guarantee from the Pioneer Company.
2. Certificate from the County Tax Assessor, showing no tax liens existing against the property covered in the contract.
3. A warranty deed duly executed conveying the land to the United States.

When you have cleared up the title and you are ready for a deed we will prepare the same for your signature. Kindly advise us promptly what progress you are making in this direction.

Very truly yours,

R

H. J. S. Devries,  
District Counsel.

Attention Mr. A. G. Foster,  
Your File C-4768.

Dear Sir:

I have your letter of the 16th relative to the land purchase contract we have with Mr. Frank Alderete for lands in Survey 48, Isleta grant. I have tried to explain to Mr. Alderete that if he will clear up the judgment liens by recording the necessary releases, present a clear tax certificate, your certificate of guarantee, and a warranty deed, he will be paid forthwith. Hoping this may have the desired effect and we may be able to close up this matter shortly, I am,

Very truly yours,

H. J. S. Devries,  
District Counsel.

El Paso, Texas, March 17, 1928.

Mr. Frank Alderete,  
Ysleta, Texas.

Dear Mr. Alderete:

We are advised by the Pioneer Abstract and Guarantee Title Company that you have informed them that you now have the necessary releases of judgment liens in order to clear up the title to the land which is being purchased under contract for use as right of way in Survey 48 in the Ysleta Grant. We understand that you are reluctant to have these releases recorded until you have assurance that the money consideration in the contract will be paid to you. Of course you understand, I am sure, that the fiscal officers are not permitted to make any payment for lands until a satisfactory title has vested in the United States.

I believe that we should be able to dispose of this matter promptly if you will take the necessary steps to clear up the title of record. You may be assured that payment will be promptly made upon your presenting the following three things covering title to the land:

1. Certificate of guarantee from the Pioneer Company.
2. Certificate from the County Tax Assessor, showing no tax liens existing against the property covered in the contract.
3. A warranty deed duly executed conveying the land to the United States.

27

These of course are prerequisites to payment under any land purchase contract and we trust you will now take steps to present them as as early a time as possible so that check can be issued to you.

Very truly yours,

H.J.S. Devries,  
District Counsel.

El Paso, Texas, September 27, 1927.

Mr. Frank G. Alderete,  
Caples Building,  
El Paso, Texas.

Dear Sir:

We are now in receipt of a report from the Pioneer Abstract and Guarantee Title Company upon application for guarantee of title upon a parcel of land in Survey 48, Yaleta Grant, covered by contract of purchase of May 16, 1927. They report that they have examined the title to all of survey 48 in the Yaleta Grant containing seventeen acres more or less and find title vested in you as owner subject to the following judgment liens:

4/321 C. F. Ederle vs. Abe Alderete,  
5/378 Western Indemnity Co. vs. F.G. Alderete now  
held by T. W. Scales,  
6/4 Western Indemnity Co. vs. F. G. Alderete,  
6/42 U.S. v. F.G. Alderete,  
6/409 U.S. v. F.G. Alderete,  
6/431 U.S. v. F.G. Alderete,  
6/269 Alamo Motor Company vs. Abe Alderete.

They also advise us that the property on which the title certificate is to be written is accretion and proof should be made to that effect.

They also advise us that taxes for previous years amounting to \$461.08 should be paid and tax suit entitled State of Texas vs. F.G. Alderete, #21608, should be dismissed.

I thought it was Mr. Hoadley's understanding after conversation with you that there were no judgment liens affecting this property. It would appear from the title company's report, however, that there are a considerable number of them. Their report is also made subject to any claims of the El Paso Water Users Association for water charges.

Will you kindly take steps to remove the defects pointed out by the title company which will be necessary before conveyance can be made.

Very truly yours,

H.J.S. Devries,  
District Counsel.

9. The Vendor expressly warrants that he has employed no third person to solicit or obtain this contract in his behalf, or to cause or procure the same to be obtained upon compensation in any way contingent, in whole or in part, upon such procurement; and that he has not paid, or promised or agreed to pay, to any third person, in consideration of such procurement, or in compensation for services in connection therewith, any brokerage, commission, or percentage upon the amount receivable by him hereunder; and that he has not, in estimating the contract price demanded by him, included any sum by reason of any such brokerage, commission, or percentage; and that all moneys payable to him hereunder are free from obligation to any other person for services rendered, or supposed to have been rendered, in the procurement of this contract. He further agrees that any breach of this warranty shall constitute adequate cause for the annulment of this contract by the United States, and that the United States may retain to its own use from any sums due or to become due thereunder an amount equal to any brokerage, commission, or percentage so paid or agreed to be paid: *Provided, however,* It is understood that this covenant does not apply to the selling of goods through a bona fide commercial representative employed by the Vendor in the regular course of his business in dealing with customers other than the Government and whose compensation is paid, in whole or in part, by commissions on sales made, nor to the selling of goods through established commercial or selling agents or agencies regularly engaged in selling such goods.

10. Where the operations of this contract extend beyond the current fiscal year it is understood that the contract is made contingent upon Congress making the necessary appropriation for expenditures thereunder after such current year has expired. In case such appropriation as may be necessary to carry out this contract is not made, the Vendor hereby releases the United States from all liability due to the failure of Congress to make such appropriation.

11. No Member of or Delegate to Congress, or Resident Commissioner, after his election or appointment or either before or after he has qualified and during his continuance in office, and no officer, agent, or employee of the Government, shall be admitted to any share or part of this contract or agreement, or to any benefit to arise thereupon. Nothing, however, herein contained shall be construed to extend to any incorporated company, where such contract or agreement is made for the general benefit of such incorporation or company, as provided in section 116 of the act of Congress approved March 4, 1909 (35 Stat. 1109).

In WITNESS WHEREOF the parties have hereto signed their names the day and year first above written.
