Subject: Acquisition of land - Opinion of title to land described in contract dated March 9, 1940, between the United States and August T. Wilde et ux.; Area, .88 of an acre; Consideration, \$3352.00; for Riverside Canal Extension - Rio Grande project.

1. A good and sufficient title to the real property described in the above mentioned land purchase contract between the United States and August Wilde and Gertrude Wilde, his wife, is found to be now vested in the United States, free and clear of liens and encumbrances, as disclosed by recorded warranty deed dated April 10, 1940, from August T. Wilde and Gertrude Wilde to the United States, and by policy of title insurance No. 25626 of the Commercial Standard Insurance Co. of Fort Worth, Texas, countersigned by H. H. Newman, acting as President of the Pioneer Abstract & Guarantee Title Co., El Paso, Texas, bearing the latter company's file No. C/14189.

2. All state and county taxes appear to have been paid to and including those for the year 1939. Taxes become a lien as of January first of the tax year but the taxing officials have not completed the tax rolls for the year 1940 and taxes for the year 1940 may therefore be disregarded. This land has never been subject to assessment as shown by enclosed District certificate by the El Paso County Water Improvement District, dated May 3, 1940.

3. The consideration named in the contract, namely \$3352.00, may now be paid to the United States' grantors, August T. Wilde and Gertrude Wilde, Fabens, Texas, there being no deductions to be made from such purchase price.

4. The original and three copies of the recorded deed, the title insurance policy and District's certificate are transmitted herewith.
