Canal Exterior El Paso, Texas. March 28, 1947 Mr. K. R. Williams, Box 88, Clint, Texas. Dear Mr. Williams: Division Superintendent F. D. Postle has brought in the quit-claim deed that you signed on the 27th of March, 1947 conveying to the United States right of way for construction of a drain thru your property in Block 57, Tract 1, San Elizario Grant, El Paso County, Texas. Examination of this deed reveals you have not been joined by your wife in executing the deed; consequently, before we can submit the deed to our Legal Department for review it will be necessary that the salutation of the deed read as follows: "I, K. R. Williams, not joined herein by my wife, as none of the hereinafter described property constitutes any part of our homestead", or in the event it is definitely a homestead, the signature of your wife should appear on the deed. If you will kindly either change the deed salutation to read as given above, or have your wife affix her signature thereon, we will forward it to our Regional Counsel for review as to legal sufficiency according to the requirements of the United States. Very truly yours, L. R. Flock Superintendent Encl-Doed
