### INSTRUCTIONS

- 1. This form is devised to render unnecessary the writing of various routine letters in reference to contracts and deeds. If the contract submitted is not of the class for approval in Denver (see par. 2a-g, C. L. 896), the chief engineer will forward with his recommendation to Washington for appropriate action.
- 2. This form shall be used only in the case of contracts to be executed or approved at Washington or Denver (see pars. 2 and 3, C. L. 896) and for deeds and easements which are accepted only at Washington.
- 3. The office in which the contract or deed originates will transmit three (3) copies of this form in excess of the number of offices to be advised of approval, execution, or acceptance, one copy to be held by the district counsel pending approval, execution, or acceptance. For example, in the usual case where the project manager and the district counsel are to be advised, five (5) copies and one (1) original (6 in all) should be sent to the district counsel, who will forward to Denver four copies and one original (5 in all).
- 4. With every contract or deed submitted involving an expenditure, the authority number (Form 7-681) or clearing account to which charges will be made must be given in the space provided on this form letter. (See par. 41, p. 213, Vol. I of Manual.) The amount of probable expenditure or collection must also be shown (see par. 11, p. 204, Vol. I of Manual). Any other special matter or information relative to the contract or deed too long to write on this form should be set out in a statement or certificate and a should with the contract or deed.
- 5. Reference should be made to previous correspondence of importance, especially if form of contract or deed was approved in advance, giving dates, stating whether a telegram or letter, and from and to whom.
- 6. The office in which the contract or deed originates should list all inclosures in the space on the face of this form. If the space is not sufficient, list on separate sheet.
- 7. All quitclaim or donation deeds and easements (see par. 47, p. 265, and par. 10, p. 290, Vol. I of Mainual) shall be transmitted through Denver to Washington for acceptance, a copy of such deeds and easements with related papers being furnished for the files of the Denver office and the district counsel.
