CERTIFICATE

I HEREBY CERTIFY that the community ditch, described in attached deed of January 9, 1917, from the Commissioners of the San Elizario Community Ditch, was constructed by a voluntary association of land owners, and that there are no deeds of record conveying to the land owners an easement or right of way for said ditch, and that said ditch has been constructed and in existence for more than the statutory period of limitation, so that title by prescription has been acquired;

That said property is not subject to taxation under the laws of Texas and that neither the tax records nor other county records contain any instruments affording

basis of title. *There are no liens against property*

District Counsel

El Paso, Texas, April 12, 1917.

CERTIFICATE

I HEREBY CERTIFY that Andres Salazar, Manuel Madrid and Pedro Telles, duly elected, qualified and acting Commissioners of the San Elizario Community Ditch, are in possession of the property described in the attached deed of January 9, 1917, claiming an easement for the operation of said ditch in said property, and that no person claiming a right in such property adverse to the grantors is in possession of any part of it.

P. W. Dent
District Counsel

El Paso, Texas, April 18, 1917.

CERTIFICATE

I HEREBY CERTIFY that the community ditch, described in attached deed of January 9, 1917, from the Commissioners of the San Eliscario Community Ditch, was constructed by a voluntary association of land owners, and that there are no deeds of record conveying to the land owners an easement or right of way for said ditch, and that said ditch has been constructed and in existence for more than the statutory period of limitation, so that title by prescription has been acquired;

That said property is not subject to taxation under the laws of Texas and that neither the tax records nor other county records contain any instruments affording basis of title.

There are no liens against property
