WHEREAS: Plans are under consideration for the improvement of water service on the Three Saints Lateral System, which in part constitute improvements in alignment, strengthening of banks to prevent breaks and resulting damage to crops and improvements, raising grade to give more efficient water delivery, renewing structures and otherwise improving the system and service, the work to be performed by the United States Reclamation Service in accordance with the provisions of the Act of Congress approved June 17, 1902 (32 Stat. 388) and acts amendatory thereof or supplementary thereto and in pursuance of contract dated June 15, 1918 with the Elephant Butte Irrigation District.

NOW, THEREFORE, BE IT KNOWN TO ALL MEN BY THESE PRESENTS, That we the owners of land affected in part by the proposed improvements as shown on the attached map, which is made a part hereof, do hereby signify our approval thereof and agree that the necessary work for their accomplishment is to proceed in accordance with construction plans of the United States Reclamation Service, and that right of way necessary to carry out the proposed changes and improvements shall be granted therefor, said right of way to be transferred by quitclaim deed or other proper instrument if demanded by the United States or the Elephant Butte Irrigation District.

IN WITNESS WHEREOF, we have hereunto affixed our hands this _____
day of _____ 1922.
